Business Insights & Recommendations

Top Platform

Instagram generated the highest engagement and conversion performance.

Top Audience

Users aged 25-34 interacted most with social media campaigns.

Best Ad Strategy

Image advertisements achieved stronger audience engagement.

Recommendations

- Focus more campaign budget on Instagram
- Target users aged 25–34 with personalized content
- Prioritize image and video advertisements
- Improve mobile-first campaign optimization
- Schedule high-engagement campaigns on Wednesdays and Sundays
- Increase audience retention by creating more engaging ad content
- Optimize desktop campaigns for conversions and mobile campaigns for reach
- Use interest-based targeting such as Tech, Travel, and Fashion audiences

Business Conclusion

The analysis highlights how data-driven marketing can improve campaign effectiveness through better audience targeting, platform selection, and content strategy.

By understanding engagement behavior and conversion trends, businesses can make smarter advertising decisions, optimize campaign performance, and improve customer interaction.
